

RELEASE TO PUBLIC DOMAIN STATEMENT

Any materials produced by Ripalia 5000 SL ('Ripalia') and provided herein shall be understood as free and unencumbered released into the public domain.

Anyone is free to copy, modify, publish, use, compile, sell, distribute or otherwise exploit these materials for any purpose, commercial or non-commercial, and by any means.

As from the date these materials become publicly available (the 'Date of Release') and to the maximum extent permitted by the applicable laws, Ripalia or the rights holders waive any and all intellectual property rights in and to the materials, which shall therefore become part of the public domain (the "**Waiver**"). We make this Waiver for the benefit of the public at large and to the detriment of our heirs and successors. We intend this Waiver to be an overt act of relinquishment in perpetuity of all present and future rights to these materials under any intellectual property laws. To the extent that the applicable laws in a particular jurisdiction do not allow a waiver such as the Waiver in connection with all or certain rights attributable to the authors of the materials, it shall be understood that, as from the Date of Release, the authors or rights holders grant to any person, to the maximum extent possible under applicable law, a non-exclusive, transferable, irrevocable, royalty-free, world-wide and unlimited right (license) to use (including by means of sublicensing), exploit and exercise all intellectual property rights with respect to the materials for the whole period of their validity. These rights can be exercised on any media, supports and formats, whether now known or later invented, as far as the applicable law permits so.

THE MATERIALS ARE PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. IN NO EVENT SHALL THE AUTHORS BE LIABLE FOR ANY CLAIM, DAMAGES OR OTHER LIABILITY, WHETHER IN AN ACTION OF CONTRACT, TORT OR OTHERWISE, ARISING FROM, OUT OF OR IN CONNECTION WITH THE MATERIALS OR THE USE OR OTHER DEALINGS IN THE MATERIALS.
